# Technology Strategic Planning Survey

## Alumni

The University Technology Strategic Planning Committee has been charged with developing a plan, implemented over five years, that utilizes technology and modern instructional practices to assist the University and its schools in achieving their stated mission and goals. To develop this plan, the Committee requests your responses to the following survey.

Please assist the Committee by responding to each item on the following survey, which is broken into 3 sections. The Committee thanks you for your time and efforts.
